As a self-employed Tutor, I excelled in delivering personalized tutoring sessions, enhancing students' independent learning capabilities. My approach, rooted in patience and empathy alongside technical writing, significantly improved academic outcomes. I adeptly incorporated educational best practices, fostering a collaborative environment that motivated students and achieved notable success.

Experience

Self-employed Tutor — **September 2021 - Present**

- Provided one-on-one tutoring sessions, tailoring instruction to meet the specific needs of each student while promoting independent learning skills.
- Encouraged students to set and achieve personal academic goals, leading to sense of accomplishment and increased motivation.
- Maintained up-to-date knowledge of educational best practices and incorporated them into teaching methods.
- As a tutor, I created learning materials in LaTeX and used Manim to develop animations that made complex concepts more accessible.

Freelancer — **September 2021 - Present**

- Enhanced client satisfaction by delivering high-quality work within deadlines.
- Strengthened client relationships with consistent communication and timely project updates.

Education

Jagiellonian University — **October 2021 - July 2024**
Computer Science — Bachelor degree

Zespół Szkół Zawodowych — **September 2017 - May 2021**
IT Technician
